

REMARKS

The revisions in this Amendment are few in number and do not require a substantial amount of additional work on the part of the U.S. Patent Office. The amendment to the specification merely adds the legend for 107 to FIG. 4. Accordingly, entry of the Amendment under the provisions of Rule 312 is believed to be proper and is respectfully solicited.

Respectfully submitted,

  
By \_\_\_\_\_  
John Vodopia, Reg. 36,299  
Attorney  
(914) 333-9627
